

## Important Info re Gr 12 Life Sciences for 2011

Herewith the following information regarding the new *Life Sciences Grade 12* study guides for 2011, in order to ease your planning for 2011.

*Life Sciences Grade 12* will again be published as two separate books, i.e. *Part 1* and *Part 2*.

The first book, which includes the Knowledge Areas **Environmental studies** and **Life processes in plants and animals**, will be available in February 2011.

The second book, which includes the Knowledge Areas **Life on the molecular, cellular and tissue level** and **Diversity, change and continuity**, will be available in May 2011.

Both books will again consist of three sections, i.e.:

- Comprehensive summaries per Knowledge Area
- Questions and answers PLUS rapid fire questions and answers per Knowledge Area
- One exam paper

Many thanks  
Liesl Sterrenberg

*Hiermee gee ons die volgende inligting aangaande die nuwe Lewenswetenskappe Graad 12 studiegidse vir 2011 aan u deur, om sodoende u beplanning vir 2011 te vergemaklik.*

Lewenswetenskappe Gr 12 gaan weer as twee aparte boeke gepubliseer word, nl: Deel 1 en Deel 2.

*Die eerste boek, wat die kennisareas **Omgewingstudies** en **Lewensprosesse in plante en diere** insluit, sal in Februarie 2011 beskikbaar wees.*

*Die tweede boek, wat die kennisareas **Lewe op die molekulêre, sellulêre en weefselvlak** en **Diversiteit, verandering en kontinuïteit** insluit, sal in Mei 2011 beskikbaar wees.*

*Beide boeke gaan weer uit drie afdelings bestaan, nl:*

- Volledige opsommings per Kennisarea
- Vrae en antwoorde PLUS snelvuurvrae en antwoorde per Kennisarea
- Een eksamenvraestel

*Baie dankie*

*Groete*  
*Liesl Sterrenberg*
