

✧ THE NEW FET CURRICULUM (NCS) – GRADE 10 – 12 ✧

MATHEMATICS

- ❑ **Gr 10 Maths “3 in 1”** (*Core and optional*)
NOTES, questions & full solutions per topic, plus exam papers & answers – the best self-help foundation for Grades 11 & 12!
- ❑ **Gr 10 Maths – A Class Text**
This is a **reformatted** version of **Gr 10 Maths “3 in 1”**, i.e. it is **identical** to the “3 in 1”, except that as **A TEXTBOOK**, it has answers only (no full solutions) plus activities/investigations/projects. The full solutions are contained in the teacher’s guide. Both this class text and its teacher’s guide have been approved by the DoE. *Teachers, please contact us should you be interested in ordering this textbook version for your class.*
- ❑ **Gr 10 Maths “papers & answers”**
This is a selection of Gr 10 June & November exam papers & solutions – useful for extra practice.
- ❑ **Patterns & Modelling – Gr 10 & 11**
This book by Stephen Sproule offers extension activities, investigations and practice in these 2 major components of our new curriculum. It is most appropriate for Grades 10 & 11.
- ❑ **Gr 11 & 12 Maths “2 in 1” (for papers 1 & 2)**
Extensive questions & detailed answers are arranged in **TOPICS** as well as **EXAM PAPERS**. The true value of this book is that each topic has graded and carefully selected questions ensuring a thorough understanding of theory, techniques and concepts. The order and linking of topics further enables learners to grow in confidence as they master the curriculum. A good selection of examinations provide the much-needed practice material as learners approach their finals. However, learners should use this book THROUGHOUT THE YEAR for Grades 11 & 12.
- ❑ **Gr 11 & 12 Data Handling Workbook**
This new publication by Janet Aird and John Luis is an extremely thorough & clearly set-out workbook. It will be invaluable for learners mastering this relatively newly arrived topic in the curriculum!
- ❑ **Gr 11 Maths “p & a” (for papers 1, 2 & 3 – IEB)**
This book contains 5 of Papers 1, 2 & 3 plus memos and is compiled (mainly) by examiners Marilyn Buchanan, John Luis & Ryno Reichert.
- ❑ **Gr 12 Maths “p & a” (for papers 1, 2 & 3 – IEB)**
Also mainly by Marilyn Buchanan, John Luis & Ryno Reichert, this book has 6 of each paper, including the most recent.
- ❑ **Gr 12 Maths Portfolio & Teacher’s Guide**
These two books are *only sold directly to teachers*. A minimum of 20 copies needs to be ordered – and only then can the teacher’s guide be ordered. This assessment material should be kept at school and handed out to learners throughout the year.
Please email us should you require more detailed information.
