

❖ THE NEW FET CURRICULUM (NCS) – GRADE 10 – 12 ❖

MATHEMATICS

- ❑ Gr 10 Maths “3 in 1” (*Core and optional*)
NOTES, questions & full solutions per topic, plus exam papers & answers – the best self-help foundation for Grades 11 & 12!
- ❑ Gr 10 Maths – A Class Text
This is a **reformatted** version of Gr 10 Maths “3 in 1”, i.e. it is **identical** to the “3 in 1”, except that as **A TEXTBOOK**, it has answers only (no full solutions) plus activities/investigations/projects. The full solutions are contained in the teacher’s guide. Both this class text and its teacher’s guide are on the current national catalogue. (Both are now available in Afrikaans as well.)
Teachers, please contact us should you be interested in ordering this textbook version for your class.
- ❑ Gr 10 Maths “papers & answers”
This is a selection of Gr 10 June & November exam papers & solutions – useful for extra practice.
- ❑ Patterns & Modelling – Gr 10 & 11
This book by Stephen Sproule offers extension activities, investigations and practice in these 2 major components of our new curriculum. It is most appropriate for Grades 10 & 11.
- ❑ Gr 11 & 12 Maths “2 in 1” (for papers 1 & 2)
Extensive questions & detailed answers are arranged in **TOPICS** as well as **EXAM PAPERS**. The true value of this book is that each topic has graded and carefully selected questions ensuring a thorough understanding of theory, techniques and concepts. The order and linking of topics further enables learners to grow in confidence as they master the curriculum. A good selection of examinations provide the much-needed practice material as learners approach their finals. However, learners should use this book THROUGHOUT THE YEAR for Grades 11 & 12.
- ❑ Gr 11 & 12 Data Handling Workbook
This new publication by Janet Aird and John Luis is an extremely thorough & clearly set-out workbook. It will be invaluable for learners mastering this relatively newly arrived topic in the curriculum!
- ❑ Gr 11 Maths “p & a” (for papers 1, 2 & 3 – IEB)
This book contains 5 of Papers 1, 2 & 3 plus memos and is compiled (mainly) by examiners Marilyn Buchanan, John Luis & Ryno Reichert.
- ❑ Gr 12 Maths “p & a” (for papers 1, 2 & 3 – IEB)
Also mainly by Marilyn Buchanan, John Luis & Ryno Reichert, this book has 6 of each paper, including the most recent IEB exam.
- ❑ Gr 12 Maths Portfolio & Teacher’s Guide
The portfolio book contains assessment pieces: tutorials, short items & long items. These original pieces, created by Leigh Pleass & Heather Frankiskos, are of an excellent standard. Each book is perforated & punched for easy storage in the learners’ CASS files. The Teacher’s guide contains the full solutions to all the pieces.

MATHEMATICAL LITERACY

- ❑ Gr 10 Maths Literacy “3 in 1”
This book contains NOTES, questions and answers per topic, plus exam papers and answers. It is ideal and extremely popular for classroom use!
- ❑ Gr 10 Maths Literacy “papers & answers”
This book contains both June & November exam papers & answers from dedicated, innovative educators from all over South Africa.
- ❑ Gr 11 Maths Literacy “3 in 1” (*now also avail. in Afr.*)
This study guide offers NOTES, questions & answers in CONTEXTS, plus exam papers & answers.
- ❑ Gr 12 Maths Literacy “2 in 1”
This book contains questions & answers arranged in relevant, real-life CONTEXTS, as well as EXAM PAPERS, all according to the assessment standards of the NCS.

These books not only equip the learner with the skills required for a successful final exam, but also with the numeracy skills that are essential for everyday life.

PHYSICAL SCIENCES

- ❑ Gr 10 Physical Sciences “3 in 1”
This book offers NOTES, questions and answers per topic, plus tests, exam papers & answers. The best foundation for Gr 11 & 12.
- ❑ Gr 10 Physical Sciences “papers & answers”
This book contains both June & November exam papers & answers – great for extra practice.
- ❑ Gr 11 & 12 Physical Sciences “2 in 1”
This study guide is continuously being revised to ensure that it is accurately aligned with the very latest curriculum adjustments, the most recent being the June 2010 amendments from the DBE. It contains questions & answers arranged in TOPICS, as well as EXAM PAPERS and answers. In addition, there is a Grade 11 and a Grade 12 test at the end of each module. The examinations have been carefully selected to provide much-needed practice material for learners approaching their finals. This selection, as well as the clearly set out, well-explained answers, provide learners with expert guidance in this challenging subject.

Best used throughout the year, this study guide will facilitate gradual and thorough concept development.

ACCOUNTING

- ❑ Gr 10, 11 & 12 Accounting “3 in 1”
These 3 separate study guides, compiled in line with the SAG documents, are best used throughout the year. They offer:
 - NOTES, Questions & Answers PER TOPIC
The NOTES lay the foundation, explaining all the terminology and concepts. The questions have been graded to facilitate gradual and thorough concept development, and have been set so as to ensure comprehensive coverage of the curriculum. The practice offered to learners will guarantee excellence in this subject.
 - Exam Papers & Answers
The exam papers, covering all aspects of the curriculum, will help learners prepare thoroughly for a successful matric exam!
- ❑ Gr 12 Accounting “2 in 1”
This study guide, ideal for exam preparation, offers:
 - Quick Revision per learning outcome
– superb pre-exam preparation of “the essentials” in accounting
 - Exam Papers & Answers
– a collection of recent National and IEB exams.

LIFE SCIENCES

- ❑ Gr 10, 11 & 12 Life Sciences “3 in 1”
The **Grade 10 (2009)**, **Grade 11 (2010)** and **Grade 12 (2011)** books have been developed in line with the very latest curriculum guidelines. In the case of Grade 12, the content follows the NOVEMBER 2010 EXAM GUIDELINES! – the very latest for this subject! All the Life Sciences books contain, for each knowledge area:
 - Detailed NOTES
 - Questions & Answers
 - “Rapid Fires”**PLUS**
 - Exam Papers and memos
 The **Grade 12 (2011)** material has been arranged as:
 - PART 1: Life at the molecular, cellular & tissue level;
Diversity, change & continuity – available in May
 - PART 2: Life processes in plants & animals;
Environmental studies – available in February
 These “3 in 1” study guides offer thoroughly researched, NEW material, which is relevant, accessible and enjoyable, inspiring learners to study and achieve excellent results!

All *The Answer Series* study-guides contain: exam guidelines • exam questions & answers • hints & tips • useful summaries!

GEOGRAPHY

Gr 12 Geography "3 in 1"

This comprehensive study guide, based on the NCS and the latest examination guidelines, has NOTES, exam questions & answers, orthophotos & topographical maps. The notes (in chapters), followed by exam questions, guide learners through each topic. "Up-to-the-minute" topics such as global warming, the ozone issue, urbanisation & GIS, which play a major role in the new curriculum, have received special attention in this study guide. An excellent **MAPWORK SECTION** is included.

HISTORY

Gr 12 History "3 in 1"

This comprehensive study guide has NOTES and source-based questions on all the units of the History curriculum (NCS) and offers:

- ▶ NOTES and questions on the 5 units
- ▶ 3 exams with detailed memos

The exam papers have been selected to ensure that matriculants can prepare thoroughly for the final exam.

BUSINESS STUDIES

Gr 10, 11 & 12 Business Studies "3 in 1"

These study guides, based on the Learning Outcomes and Assessment Standards of the Business Studies curriculum (NCS), offer:

- ▶ NOTES and questions in 4 modules
- ▶ Exam papers and answers

Each module is divided into sections that address the various Assessment Standards. The author has made learning easy by streamlining much of the information into bulleted lists, tables, etc. The exam papers have been selected so that matriculants can prepare thoroughly for the final exam.

NEW: Grade 10 and Grade 11 Business Studies!

ECONOMICS

Gr 12 Economics "3 in 1"

This study guide, based on the Learning Outcomes and Assessment Standards of the Economics curriculum (NCS), offers:

- ▶ NOTES and questions in 4 modules
- ▶ Exam papers and answers.

Each module offers terminology, an outline and NOTES in sections, followed by exam questions. This ensures that vital, constant testing takes place while learners measure their progress and build up their understanding. The tests and exams have been selected so that matriculants can prepare thoroughly for the final exam.

ENGLISH HOME LANGUAGE

Gr 11 & 12 English Home Language "3 in 1"

This book offers:

- ▶ NOTES and exercises on the 4 Learning Outcomes, including interesting, contemporary topics for learners
- ▶ Exam papers and answers for essential exam practice
