

✧ THE NEW FET CURRICULUM (NCS) - GRADE 10 - 12 ✧

MATHEMATICS

Gr. 10 Maths “3 in 1”

Notes, questions & full solutions per topic plus exam papers & answers - the best foundation for Grade 11 & 12!

- “Gr. 10 Maths – A Class Text” is a reformatted version of “Gr. 10 Maths 3 in 1”, i.e. it is *identical* to the 3 in 1, except that as **A TEXTBOOK**, it has answers only (no full solutions) plus activities/investigations/projects – the full solutions are contained in a teacher’s guide.

Teachers, please email us should you be interested in ordering this textbook version for your class.

Gr. 10 Maths “papers & answers”

A selection of Gr. 10 June & November exam papers & solutions – useful for extra practice.

“Patterns & Modelling” – Gr. 10 & 11

This book, by Stephen Sproule, offers extension, investigations and practice in these 2 major components of our new curriculum. It is most appropriate for Grades 10 & 11.

Gr 11 & 12 “2 in 1” (for paper 1 & 2)

As in past years, extensive questions & answers arranged in **TOPICS** as well as **EXAM PAPERS**, but, of course, all according to the latest assessment standards of the NCS. The examinations have been carefully selected to provide the much needed practice material as learners approach their finals. But the true value of this book lies in the way that the questions in the topics have been graded to facilitate gradual and thorough concept development.

Gr 11 and Gr 12 “papers & answers” books

5 of each Paper 1, 2 and 3 plus memos, compiled (mainly) by **IEB** examiners Marilyn Buchanan, John Luis, Ryno Reichert – two welcome additions to *The Answer Series*.

Gr 12 Maths Portfolio & Teacher’s Guide

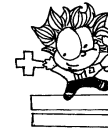

These publications are a first in the Answer Series and *will only be sold directly to teachers at schools* – *A minimum of 20 copies needs to be ordered – and the teachers’ guide can only be ordered provided a minimum of 20 portfolio books is ordered.*

The intention is that they be kept at school and learners receive short or long items or tutorials to be done at school throughout the year.

Please email us should you require more detailed information.

MATHEMATICAL LITERACY

Gr. 10 Maths Literacy “3 in 1”

Notes, questions and answers per topic plus exam papers and answers - ideal and extremely popular for classroom use!

Gr 10 Maths Literacy “papers & answers”

Both June & November exam papers & answers from dedicated, innovative educators from all over South Africa.

Gr 11 Maths Literacy “3 in 1”

This much awaited study-aid is scheduled for mid-year.

Gr 12 Maths Literacy “2 in 1”

Questions & answers arranged in **CONTEXTS** as well as **EXAM PAPERS**, but, of course, all according to the assessment standards of the NCS.

PHYSICAL SCIENCES

Gr. 10 Physical Sciences “3 in 1”

Notes, questions and answers per topic plus tests, exam papers and answers - the best foundation for Grade 11 & 12!

Gr 10 Physical Sciences “papers & answers”

Both June & November examination papers & answers – useful for extra practice.

Gr 11 & 12 Physical Sciences “2 in 1”

As in past years, questions & answers arranged in **TOPICS** as well as **EXAM PAPERS**, but, of course, all according to the assessment standards of the NCS. In addition, there is a Gr. 11 and a Gr. 12 test at the end of each of these modules. The examinations have been carefully selected to provide the much needed practice material as learners approach their finals. But the true value of this book lies in the way that the questions in the topics have been graded to facilitate gradual and thorough concept development.

Gr 12 Physical Sciences “3 in 1”

➤ **NOTES, Questions & Answers PER TOPIC**, plus

➤ **Tests and Exam Papers & Answers**

This book, similar to the Gr. 10 “3 in 1” book, in both English & Afrikaans will offer **NOTES** and questions, tests and exams and will be a great help to matriculants studying this challenging subject. *Visit our website to see when it becomes available.*

ACCOUNTING

Grade 10, 11 & 12 FET: “3 in 1”

Each of these study-aids, compiled in line with the latest SAG documents, offer:

➤ Notes, Questions & Answers PER TOPIC

The notes lay a foundation, explaining the terminology and concepts. The questions have been graded to facilitate gradual and thorough concept development and have been set so as to ensure comprehensive coverage of the curriculum. The practice offered to learners in these guides will guarantee excellence in this subject.

➤ Exam Papers & Answers

The exam papers are based on the new curriculum and will help learners prepare thoroughly for a successful matric exam!!!

All 3 books - Grades 10, 11 and 12 - are available immediately in both English and Afrikaans!

LIFE SCIENCES

Gr. 10 Life Sciences “3 in 1” – new!

Detailed notes, questions & answers and ‘rapid fires’ per topic plus exam papers and answers - the best foundation for Grade 11 & 12! This new exciting publication has been compiled according to the new 2009 curriculum.

Gr 11 Life Sciences “3 in 1”

The **Grade 11** book – also “new” (the “first” NCS version) also offers summaries, extensive questions & answers plus ‘rapid fires’, and exam papers and memos.

Gr 12 Life Sciences “3 in 1”

The **grade 12** material has been arranged as

➤ **PART 1:** Knowledge areas 1 & 2

➤ **PART 2:** Knowledge areas 3 & 4

These “3 in 1” study-aids offer extremely exciting material developed in line with the November 2007 Departmental guidelines (Assessment Syllabus). For each knowledge area there are

detailed notes • questions & answers
& **‘rapid fire’** questions and answers

The books include exam papers plus memos.

All *The Answer Series* study-aids contain • exam guidelines • exam questions & answers • hints & tips • useful summaries!

GEOGRAPHY

- ❑ **Gr. 12 Geography "3 in 1"**, based on the NCS

– and the latest “June ’08 document” has notes, exam questions & answers, orthophotos & topographical maps. The notes (in chapters), dotted with exam questions, guide learners through each topic, while ‘up-to-the-minute’ topics like global warming, the ozone issue, urbanisation, GIS, etc. which play a major role in the new curriculum, have received special attention in this study-aid. An excellent **MAPWORK SECTION** is included.

HISTORY

- ❑ **Gr. 12 History "3 in 1"**

This newly published study-aid has Notes and Source-based Q’s on all the units of the History Curriculum (NCS) and offers:
